**Physical Description:** On the wall above carved wood panelling is a double superimposed Greek cross: red cross on top of grey cross, both edged with brass [?] surround. Central red circle is edged with gold tesserae and brass [?], and contains 3D (cut-out effect) objects: a chalice (gold), an open book with letters A [alpha] and [omega], and two brown shapes [loaves?] in front. Around this, in the red cross, are four symbols: lamb with cross [Agnus Dei] (top); cross on blue base (right); blue fish facing left (bottom); burning bush (left).

Signatures: None

**Physical Description:** Lectern, with four arches on front, upper two of which have carved figures, lower two blank; central column between the arches is surmounted by a large carved eagle with outstretched wings whose back forms the actual lectern. Left arch shows two angels looking at a bible (?), left one seated and larger with halo, right one pointing to the page. (Could be saint with wings and angel?). Right arch shows seated bearded saint (?) with wings writing in a book which is supported on a bull's back. A winged lion forms the base of the central column. The central column and those flanking the two upper arches are twisted.
