

NORTH AYRSHIRE WATERMILL SURVEY

Name of mill: Hawkhill. Carding mill.

Date visited: 10.2.10

Address:Largs.

Surveyed by: Alastair Weir

Grid ref: NS212592

Present use: Shown as ruins on the 1st edition OS. Site now occupied by 1970s housing. No evidence of the mill, lade, dam/weir could be determined at time of visit.

Water source: Water, most probably, taken from Gogo burn but by what means not known.

Photographs taken: Of probable location.

Notes: Research required of earlier maps including Ponts.
