

## NORTH AYRSHIRE WATERMILL SURVEY

**Name of mill:** No name identified but there is a building, slightly down stream of Craig Mill on the Caaf water which 'is said' to have been a flax mill

**Date visited:** 14.3.11

**Address:** By Dalry

**Surveyed by:** Alastair Weir

**Grid ref:** NS284485

**Present use:** Ruin but only looked at from afar.

**Water source:** From the Caaf Water but how directed is not known.

**Photographs taken:** None taken on this occasion.

**Notes:** Follow up source of local history information.

No name identified but there is a building, slightly down stream of Craig Mill on the Caaf water which 'is said' to have been a flax mill.
